FOR IMMEDIATE RELEASE

**ANESTHESIA RESOURCE NETWORK, INC. (ARNI) SHORTENS THEIR NAME TO ANESTHESIA RESOURCES AND LAUNCHES A NEW BRAND**

Anesthesia Resources is Prepared to Assist its Customers to Navigate the New Healthcare Reform

**Atlanta, Georgia, July 21, 2009:** Robert Cox announced today that the corporate name Anesthesia Resource Network, Inc. will be shortened to Anesthesia Resources to better reflect the services that the company provides its customers. Anesthesia Resources provides billing and financial management solutions for the anesthesia & pain management community. Using new technology and existing programs to maximize efficiency and reimbursement, Anesthesia Resources, specializes in hospital-based care providers, such as anesthesiologists, nurse anesthetists and pain management physicians.

For the past 24 years, Anesthesia Resources has served anesthesia providers, nationwide. Anesthesia Resources offers billing, consulting and extensive practice management services to relieve the burden of administrative duties from clinicians, so that they can focus on providing the best clinical care possible. Our proven "best practices" deliver improved cash flow, more timely collections and higher overall reimbursement for our customers. "Because of our deep experience and long history of work in this field, our team of experts is prepared to assist our customers to navigate whatever comes out of the pending healthcare reform" said Cox.

Anesthesia Resources is actively engaged in development of new technology and joint ventures to further the acceptance and implementation of solutions that will make the practice of anesthesia and pain management more efficient, less costly and more profitable for the care providers.

Anesthesia Resources is a practice management company specializing exclusively in the practice of anesthesia and pain management. From our inception in 1985, ARN was designed to meet anesthesia professional's billing and financial management needs. Our single goal is to streamline the revenue cycle, maximizing profitability while decreasing practice management administrative costs. We focus on the *business side of your practice* so that you can focus on the clinical side of your practice.
